Lisa, Jacqui

I have now spoken to Jim Norton. He is comfortable with the arrangements we have been making. He will drive across to Norwich for 14.00 on Wednesday. Will you please contact him direct about directions, parking etc.

We plan to see the Police and the Info Commissioner first, until we guess around 15.00.

We would then like to see the IT people whom I met before (Jim has seen Lisa's notes). We need to understand the picture they began to explain to me about how data is provided, produced and stored, and how CRU relates to the Centre of the University in this regard. We recognise that this will inevitably be a complex picture, as is no doubt true in universities generally.

We would then value an opportunity to discuss with Phil Jones and/or Keith Briffa the way in which codes, algorithms etc are used by CRU in the analysis of the data. I guess this will establish the areas that Jim and Peter Clarke will want to follow up in detail.

These two sessions should take us until around 18.00.

I hope this helps you line people up.

When in the morning would it be convenient for me to call to see Lisa?

Muir Russell

I've been trying and failing to get Jim Norton on the phone this morning. My present thinking is that it would be good to come to Norwich if we can, so that Jim can begin to talk to the IT people. That points to Wednesday from 14.00 onwards if at all possible, so please see if we can go firm on that for the Commissioner and the police. You can get me up till 14.00 today on - [REDACTED]; thereafter on my mobile - [REDACTED]

Sir Muir

I reply from the commissioner. Looks like 27th is going to be tricky for them but we can continue to push for it as you see. Let me know what you prefer. As I mentioned I will be in meetings this morning but Jacqui can act on your instructions in the meantime and try and finalise arrangements. And where would you like to meet?

Best
Lisa

Dear Lisa,

As you are aware the invitation to the meeting was at short notice to us. We prefer the 28th because we both have meetings in London that day and the 29th and it would be easier to arrange. However, if Sir Muir would be greatly inconvenienced we will try to get down on the 27th.

I thought that the meeting was to be in Norfolk – London would be easier for us.

Hope this helps – please ring me on 01625 545717 if you wish to discuss.

Dear both

Sir Muir has asked if there is any way the 27th would work for you both, as that is his preference (as he can also bring another member of his team that day). I'm not sure if you saw my email on Friday to this effect? If there is any way you can make the 27th that would be much appreciated. Otherwise Sir Muir will try and rearrange to attend on the 28th.

Could you let me know where the meeting would ideally take place?

Many thanks

Lisa

Mick,

Re our meeting scheduled for 3rd Feb is there any chance you could come to Norfolk next week? Sir Muir Russell is trying to arrange a meeting with us and it would help for the three of us to meet. The options I have given are around 1300hrs on the 27th; 1100hrs on the 28th or PM on the 29th.

Apologies for the short notice but I do think that it would be useful if all three parties are sighted on what each is doing.

I have copied Lisa in as she is arranging the date/time so it would help if you could reply to us both.

Many thanks.

Regards

Greg
