Geoffrey

Just to confirm that I put the questions to Keith Briffa but due to his appointments on Friday he only got these today. Due to his other medical appointments mentioned below it is likely to be next week before he is able to provide the written response requested. I will keep you posted and clearly we realise the importance of prompt responses.

Best,
Lisa

Geoffrey

Thanks for this.

Just to let you know, that Keith Briffa is fully booked all Friday this week with various supervisory meetings and on Tuesday and Wednesday next week (11th and 12th May) he is away from work for hospital treatment. (I think you are aware that he is undergoing treatment for kidney cancer at present). As I'm sure you'll appreciate, it is important that we give Prof Briffa a reasonable time-frame to answer the detailed questions you will be putting to him, taking into account his unavoidable commitments, so as much notice as possible would be helpful.

Many thanks
Best,
Lisa

Dear Lisa

I agreed with Professor Jones when we met with him last Friday that I would send on a set of issues and questions to him. They are attached to this email. I would be grateful if you could forward them to him in confidence.

William and I have agreed that the proper route for such communications is through you, but that they should be kept strictly confidential.

Best wishes

Geoffrey Boulton
