Dear Trevor,

I'd be very grateful if you could transmit the appended letter to Sir  
Muir Russell.

The letter is from nine U.S. climate scientists. All nine of us are  
knowledgeable about the "Issues for Examination" of the Independent  
Climate Change Email Review (IC CER).

We believe that the information contained in the attached letter would  
be helpful to the deliberations of Sir Muir Russell and the other  
members of the IC CER.

With best personal regards,

Ben

Sir Muir

I haven't had a chance to check but just wanted to make sure that you were using the V2 versions of the documents?

Best,  
Lisa

[REDACTED]

As you will recall, the notes of the introductory meetings I had at UEA on 18 December were not checked with the participants as our other notes were, until recently when we were finalising material to go on the website. The checking process is now complete, and I attach the notes for uploading.

Muir
