Fine by me. The summaries can be brief!

Dear Lisa,

At this stage, I think the approach you have suggested is the right one.  
Please proceed.

I have cc'd Muir and Jim in case they have any comments.

Best wishes,

William.

William

Yes these draft verbatim notes were not intended publication.

If you intend to publish them, I suggest that I provide brief summary notes of each interview; check that you are happy with the content and then circulate to the individuals concerned for approval.

Could you let me know if you are content with this approach?

Many thanks

Lisa
